

Dear Judge Pratt,

March 15, 2020

4:05-CR-227

Greetings Sir, it is with a heavy heart that I pen this letter today. It has been five months since your order on October 8<sup>th</sup> where you asked the US Attorney to vacate Count 15 (924(c)) stacking count.

I want you to know that I have not lost hope, the order and the resulting relief for Mr. Uckevich, Mr. Maumau and others with the "stacking" issue has provided hope for so many. The "Brown" case is talked about in every corner of this prison and I know it is discussed in prisons across America. Men have been inspired to program and ask questions about how they can be more productive and proactive. There is a blessing in every "No" and "Not Yet", I have seen that in this instance.

I continue to strive towards that upward calling. I have completed my ServSafe Managerial course and obtained my National Certification for Restaurant Management. I have enrolled in Nations University Bachelors of Religious Studies course while completing numerous self study courses monthly. This is a time of tremendous personal growth for me.

As you know from my Progress Report I am a Mentor, Facilitator, Liaison, tutor, and teacher in the L.E.A.D. Program and Education department. I am effecting positive change in men daily.

I pray that you will reconsider vacating Count 15 of my indictment. I am nearing the completion of

the 210 month sentence with the removal of 300 months for Count 15. With the earned good-time credits my sentence will be fully served September 2020. I will be free to return home to my family and begin ten years of supervised release.

I have had 6 security points for 10 years now that would qualify placement in a federal prison camp where I could work in the community, the Count 15 of my indictment has kept me in medium custody status due to the time attached to that count. I pray that you will take a moment today and call my Unit Manager - Mr. Hager, or my Case Manager - Ms. Bufkin to learn first hand who Daniel Lynn Brown Jr. is and the content of my character. FCI Williamsburg main switchboard number (843) 387-9400

These 15 years of incarceration have been a blessing to me. Through every hardship and adversity I have grown stronger and have been transformed into the man I am today. I am a prime example that rehabilitation is possible. I pray that where others have not been up to the challenge to see justice done, you are. Thank You Sir for redeeming me.

Respectfully,

**Comments**

Mr. Brown has been an active and valuable member of the Inmate Companion Program (Suicide Cadre) at FCI Williamsburg since December 2017. Inmates who are selected to participate in this program are considered to be well respected by their peers and staff. They are expected to work independently and cooperatively with diverse groups of individuals. The primary responsibility of an Inmate Companion team member is to provide constant observation of other inmates who are at risk for suicide and diligently and accurately record those observations for documentation.

In his role as an Inmate Companion, Mr. Brown has attended required training sessions, worked on numerous suicide watches, and maintained excellent documentation. Mr. Brown has effective communication skills, which are vital to the inmate companion program. In fact, other members of the team have looked to Mr. Brown for consultation and advice, and he has been more than willing to help others. His willingness to help others, ability to handle difficult situations, and positive attitude have made him a valuable member of the team.

Dear Man of Faith,

If this letter has made it into your hands a MIRACLE has taken place. I have written thousands of letters over the past 15 years without response. I have faith that God's timing is perfect and I continue to fight the good fight of FAITH. The original version of this letter was penned in 2017 as a result of reading Pastor Osteen's book "Every Day a Friday". I would not have read this book but for the providence of God. WE serve an amazing God who never gives up on US, this book touched me. In 2020 I recently finished reading Pastor Batterson's book "The Circle Maker" and it has transformed by prayer life. I pray like it depends on God and work like it depends on me. The very foundation of Faith and works.

I have a long and detailed story, one that I will one day share in book form. For now I will keep it short. I was raised in a poor household and witnessed all forms of abuse growing up, that does not excuse my behavior, I own my actions as I made a choice. However, I see that with proper mentoring in school or other programs things could have turned out much differently. This is the knowledge that sparked my passion to be a teacher, mentor, trainer, and Champion of Change. I have a powerful message to share, a testimony that will impact the youth and the decisions they are making.

Very few have walked in my shoes. I made poor choices after the death of my wife. I need your help to fulfill my God given destiny. You have the power to redeem my life. I have a Clemency Petition pending.

#### LEFT BEHIND

Dear Pastor Osteen, and all People of Faith,

Thank you so much for writing the book "Every Day a Friday". I would never have read this book but for the providence of God. We serve an amazing God who never gives up on US. Your book has touched me.

I have a long and detailed story that I will one day tell in book form. For now I will keep it short. I was raised in a poor household, the oldest of four kids. I witnessed all forms of abuse and addictions growing up. At 15 years of age I met my future wife and her family which altered the course of my life. I focused on my studies in highschool, graduated in 1994, went to work, attended a technical college which my employer paid for and married my wife in 1997. The problem was that I was already addicted to meth and leading a double life.

By the grace of God I was arrested in 1998 and was able to stay out of jail and see my daughter born April of 1999. I was clean and sober, I gave my life to Christ in December 1998 and after the birth of my daughter began to volunteer at our church. I became very involved and sat on various boards and chaired meetings and the mens prayer breakfast. My wife and I taught sunday school and played on the church softball team. I was so busy "doing" church that I was not "hiding HIS Word in my heart" so when the storms came I sinned against HIM and was washed away.

In November 2003 my wife, my highschool sweetheart, my best friend and better half was diagnosed with cancer. By this time I was a successful salesman for ABC Supply, a Realtor for NP Dodge, and part owner of DJ&C Investments. My wife designed our dream home and we purchased the building lot and broke ground. WE were moving forward and believing God for healing. Christina never drank, smoked, used drugs or lived a unhealthy life. It all seemed so unfair. I prayed to God for healing, then I began to bargain with God as I saw my wife in pain. I asked HIM to allow me to take her place. What I later learned was asking to "stand in the gap" for her. NOTHING, no response. On May 3, 2004 Christina Dawn Brown passed away at the age of 29.

I blamed God, I started drinking and using meth to dull the pain. I did not know the scriptures such as 1Thess. 4:13. I was mourning as someone with NO hope, I utterly failed my daughter. I completed the construction of our dream home at 305 Delmar Ridge Lane in Council Bluffs, Iowa while everything else was unraveling. I quit my job, was not managing the properties of the investment company, stopped attending church and in October 2005 was indicted and arrested on drug and gun charges. The United States of America against Daniel Brown, I was given a 42.5 year sentence of which I will have to serve 37.5 years after earning all the good time offered.

I have already served 12 years. I completed a four month drug and alcohol program in 2006. I graduated the Life Connections Program in 2009, which is a 18 month faith based reentry program offered by the Bureau of Prisons. I worked for 112 months in the Federal Prison Industries as an accounting clerk and completed a 4,150 hour Office Management apprenticeship course. I was transferred to South Carolina where there is not a Unicor so I enrolled in a National Federation of Personal Trainers course and will earn my national license after passing the NFPT test. I am also currently studying independently for Christian/Biblical Counseling.

I petitioned President Obama under his Clemency Initiative for relief. I was

fully screened by the project and accepted. I was assigned an attorney to prepare my paperwork and met all the criteria to have my sentence commuted. My daughter was sent a letter from President Obama on December 13, 2016 saying that he would be thinking of me in the days to come. She had asked President Obama to set me free. The Office of the Pardon Attorney was not able to get through all the applicants and I missed it by only days. On January 20th, 2017 when the final list of commutations came out and my name was missing I felt LEFT BEHIND, many of the friends I met along the way with terribly long sentences were released. I made poor choices as you stated in your book. I have been a model inmate and pray for relief from this long sentence.

#### REACHING BACK

Very few have walked in my shoes. I am part of the 99.9% of people that are not bad, I have a good heart that is wholly, and fully committed to God. I made poor choices after my wifes death. I need your help to fulfill my God-given destiny. I have a Clemency Petition pending at the Office of the Pardon Attorney and all it requires is President Trump's signature to release me from Federal prison. I have lived these past 12 years without incident, following all the rules and participating in all programs available to me. I have paid my debt to society and Jesus paid my sin debt on the cross.

My daughter will report to the University of Iowa on August 13, 2017. She is a remarkable young woman. She earned the Horatio Algiers scholarship and attended the awards ceremony in D.C. where she was seated with Byron Pitts and many others who have overcome obstacles to be their very best and fulfill God's destiny for their lives. Her aspirations are to become a doctor and attend medical school at Stanford. She is top 10% in the nation on all her testing scores and will accomplish anything she sets her mind to. I am so proud of her. I would love to be there to support her emotionally and financially on this journey.

If I were not in position to ask I would not. I earned my way into prison with poor choices and have done all I can to earn my way out. At sentencing Judge Longstaff said he would not give me all this time if it were up to him. The federal system has mandatory minimum sentencing structures that ties his hands and I was subject to the harshest. He could not have done anything so many years ago at sentencing although he wanted to, but you can today.

On page 219 of your book you say "God has so blessed me, I am constantly looking for ways to use my influence to help others come up higher". I too live my life that way inside prison, I help where I am able. You are in a unique position to REACH BACK Pastor Osteen, please be a people builder, a healer, a voice for the voiceless.

#### NOT AN ACCIDENT

Having your book placed in my hands was not by chance. I know the circumstances that had to take place for me to read your book and all those circumstances belong to God. HE is the author and finisher of our faith, the beginning and the end. I praise HIM for my life today and trust HIM to provide the future HE promises. When HE says to "MOVE" I move, thus this letter arriving in your mailbox. May God bless you and yours, thank you for taking the time to read this letter and act on my behalf and God's.

Sincerely,

Daniel Lynn Brown Jr. #05609-030

"Remembering, Giving Back, And Living For Our Legacy!"

"STOP RESISTING!!! X 3"

Now, have I got your attention? Do I have your hearts pounding? Good, that was my intention. My purpose today, is to help you to STOP RESISTING the change that MUST take place in your life.

Today, we are talking about mentoring the youth, giving back as the man we are here to honor was doing and will continue to do as his Legacy lives on. I will share with you three (3) points, that I want you to remember: 1. Decision; 2. Development; and 3. Determination! I call these the "BIG Ds."

It is said that if we change the way that we look at things, the things that we look at will change. It is a "GREAT DAY" to be alive and be afforded the opportunity to make the "DECISION" to change. The decision to change is instantaneous. You don't try to change, you either change or you don't. It is YOUR decision.

Please, allow me to debunk this myth of change being a difficult process that many fail to achieve. Are you ready to have this power revealed to you? This power resides in each and every one of you this very moment. RIGHT NOW!!! TRY to stand up. Go ahead, TRY! I can see the light turning on in your minds. Decisions gentlemen, you either decide to stand up or you don't; there is no try, there is no delay. Decisions, Decisions, Decisions, the Decisions we make today, will determine our destinies. Are you living your Legacy?

You have taken that First Step to change, here is the

second - DEVELOPMENT. While some Decisions to Change require NO DEVELOPMENT, others do. Your decision to stand up was instant, you did it. However, some other Decisions to Change require time to develop. Think about the idea of conception that through the process of development produces a miracle. Picture this in your mind, a beautiful baby is born. The Change Process is Amazing and WONDERFUL!

Make the Decision this very moment to Change and enter into this stage of Development. The final sign-post of the Big Ds is Determination.

The process will be painful and you will want to stop in the middle of the development stage. Keep going, be DETERMINED! The miracle awaits right on the other side of uncomfortable and inconvenient.

Thank You!

\*\*\*\*\* The Making of a Man \*\*\*\*\*  
February 13, 2020

This is my story, my journey from a boy to a man. The reality I once held to be self-evident about manhood was distorted by my programming. I once believed that being tough made me a man, that having sex made me a man, and leaving my parents house and being on my own made me a man.

As I reflect on my life I realize that I once believed that getting married, owning my own home, and being successful was the measure of a man. I was so terribly wrong in every one of these beliefs. It has taken a journey for me to discover the truth.

The journey of self discovery or the journey of discovering my SELF began May 3, 2004, this is the day my high school sweetheart, my wife, passed away after a short and painful fight with a rare form of cancer. I was left that day to question everything I once held to be true. I questioned God and the very foundation of my faith. I then went on to blame God as a boy would blame his loving father for taking something away from him. I figuratively threw myself on the floor like a boy and had a fit, a temper tantrum as a young boy would do. I literally destroyed that life I had built and ran from God.

There I was, a 27 year old boy. I was a successful salesman, a licensed Realtor®, a business owner, an elder in my church, a dad, and at the same time still a boy. In all outward appearances I was a man, or rather, everything society's programming had me to believe constituted being a man.

[www.freedanbrown.com](http://www.freedanbrown.com)

"When I was a child, I spoke as a child, I understood as a child, I thought as a child" 1Corinthians 13:11a. A child thinks only of himself, a boy is selfish and self-centered, moved by emotion and not intellect. My thoughts, my words, and my very understanding led me to boyish action. I drank, I used drugs, I broke the law and in so doing I did not honor my commitments or responsibilities. These facts are all evidence to convict me on the charge of being a boy.

OH! "but when I became a man, I put away childish things." 1Corinthians 13:11b. In this journey of discovering my SELF I put away childish things. I no longer make excuses and have accepted responsibility for my boyish actions. I wrote and continue to write letters to all those I had harmed and asked for forgiveness. I get on my knees daily and ask my heavenly Father to forgive me and vow to follow HIM, to serve HIM, to be transformed into HIS image and example of a Man. I saw my reflection in the mirror and for the first time I saw the MAN God created me to be.

It was that day a MAN emerged from the flames, the refiners fire had done its perfect work. I was given the power and strength to put away all childish things.

The transition for me took place at 29 years old, fifteen years ago now. It has been a wonderful journey of SELF discovery since that day. I was set free, I am no longer at the mercy of my emotions. I emerged a MAN, that MAN you see presenting himself before you this day.

**PASTOR**

*The elders who direct the affairs of the church will be worthy of double honor, especially those who are in teaching and preaching.*  
*1 Timothy 5:17*

# *GOD MADE PASTORS...*

*GOD LAID HIS HAND UPON THEM, AND BREATHED HOPE INTO  
THEIR SPIRITS. HE FILLED THEM WITH HIS STRENGTH, AND  
PLACED A MESSAGE OF URGENCY AROUND THEIR LIVES. GOD  
CHALLENGED THEM TO GREATER WORKS THAN HE HAD EVER  
DONE. THEN, WITH HIS OWN HAND OF BLESSING, HE WRAPPED  
THEM UP IN HIS MANTLE OF LOVE AND CALLED THEM PASTORS.  
EACH ONE SHOULD USE WHATEVER GIFT HE HAS RECEIVED TO  
SERVE OTHERS, FAITHFULLY ADMINISTERING GOD'S GRACE.*

*1 PETER 4:10 (NIV 1984)*

*Pastor*
